

## Application for Employment

Name:

Date:

Are you 18 years old?:

if not, when will you be (there are some tasks you must be 18 to do)

Phone number:

Tell us where you went to school, and the years you were there. If you are still in school, tell us what grade you're in. If you graduated, write down that you graduated:

High School:

College:

What's your favorite band? You can have more than one. If you don't like music, put down something else, like your favorite book, or videogame, or something.

Previous work experience: Tell us where you worked, when you worked there, and what you did. Make sure to include any certifications you may have obtained through your previous employment. If you've never had a job before, tell any other activities or things you do that will help you do this job. (i.e. I play on the basketball team, so I work well with other people)

Why do you want to work at David's? Why do you think David's is a good fit for you?

Favorite sandwich? (Not from here, it can be a sandwich you've bought somewhere, or one you made yourself. Tell us about it)

What times during the week are you available?

Would you prefer to work weekends or weekdays? (You will probably have to do both, but we try our best to accommodate schedules and preferences)

Any planned vacations or travel? (Not necessarily a deal breaker, we just want to know as early as possible)

Know any good jokes? (yes or no)

References: Please give us the names and phone numbers of three people who can vouch for your character. Also tell us their relationship to you. No immediate family.

Do you have a car? If you don't, do you have a reliable way of getting to work?

How many hours a week are you looking to work? (40 is the most, 10 is the least)

Do you see yourself more as a "front of the house, talking to people" type or a "behind the scenes making and serving food" type? (Again, you will almost certainly be doing both, just trying to take into account people's preferences)

Any allergies, phobias, or personal hang-ups that might prevent you from doing your job? (i.e. irrational fear of dishwashers)

What is your dream job? (You can say this one. It doesn't guarantee you'll get the job)

Tell us about your hobbies and interests; what do you do if you have free time?

Anything else you want to tell us?
